POINTS AND AUTHORITIES

Rule 8 of the Federal Rules of Civil Procedure require only a short plain statement of the claim showing that the pleader is entitled to relief.

The plaintiffs complaint is not short or plain. It is several pages of incoherent gibberish, regarding some sort of code and vessel court, and appears to have been plagiarized from some information on the internet. It does not comply with the Rules of Civil Procedure or the Local Rules of this Court, and should be dismissed.

CONCLUSION

The plaintiffs complaint fails to allege any specific claims regarding Nevada Title Company. The complaint alleges claims against “defendants” collectively without any specific detail of which party committed each act. The complaint should be dismissed for failure to state a claim.
